### PRICING

For applications to remain active for one (1) month, the fee is \$150.

For applications to remain active for three (3) months, the fee is \$300.

For applications to remain active for six (6) months, the fee is \$600.

For applications to remain active for twelve (12) months, the fee is \$1000.

You may continue to add additional events, programs or classes to your registration service as long as the online registration forms are active. The database system, containing your reports and data, is available to you for one (1) year after the applications are inactivated.

NOTE: Once you complete your account set up in Step 1, you will be asked to make your payment through our secure payment system. A valid VISA or MASTERCARD is required to pay for any registration system usage fees. Fees are non-refundable once your system is activated.

### ADDITIONAL FEES:

PLEASE NOTE: You will need a merchant account and Internet gateway account in order to use the 'On-line Credit Card' payment option during your registration. These are easy accounts to set up and can be used by your organization year round for accepting credit card payments. GroupNet Solutions has negotiated excellent terms and rates for the merchant account for the Internet gateway account. There is a \$150 one time GroupNet Solutions additional fee to connect the 'On-line Credit Card' payment option to this registration system. This fee will be added to your total amount due.
